Preliminary discussions:

Kent L. asked if we could rearrange the report schedule to allow the RD to give their report when in good reception.

RD-Alt Gave report 9:10am

Kent L. reminded all to turn in receipts. He reminded everyone of the reimbursement policies and procedures.

Facilitator let everyone know that SETNA has declined to host the 2028 TBRNA convention. He read from the guidelines regarding what we're meant to do if the intended host area declines to host the convention.

Randie B. had comments on the consequences of pulling out of the contracted hotel. We may lose $1,000 and we could actually be out 25% of the hotels expected revenue.

Tink L pointed out that we may not even hold a 2028 convention and the region may decide to alternate years, thus not needing a convention committee until 2029

Satch – It has been done before where we held a convention in a host area without support from that area. People just need to step up.

H&I Facilitator stepped down due to being accepted to graduate school.

Kent asked for nominations for H&I facilitators, Adopt an Inmate, Literature Review, Internet Technology. None came forward. Please spread the word. For the contracts and archives position, we need to look at policy and figure out when the existing term is up. "House Keeping"

Open Positions: Co-Treasurer, H&I Facilitator, Adopt an Inmate, Literature Review, Internet Technology.

Open Discussion after area reports

Digital Payment Discussion:

Does anyone want to form a task group to put information together on how groups can get bank accounts, allowing them to receive virtual donations.

RD explained how their home group has set up Cash App accounts. Account is set up as group name.

Open Carry Discussion:

RD – TX is an open carry state. The facility is responsible for posting no open carry signs. He leaves his weapons outside. Remember one thing, you're potentially having this conflict with someone who has a gun on them.

Member – Can groups place a sign if the building doesn't?

Member – What's the role of our insurance policy in open carry?

Member – Is this mentioned in any kind of "disruptive behavior literature"?

Member – Experienced members from the group, of the same sex as the person in questions, should be tasked to speak with the member.

Member – individuals should respect the groups guidelines.

Member – You can't just write on a sign "no guns allowed." Signage like that has to follow very specific State laws. Groups have autonomy and must handle this on their own.

Central Texas Area

2026-05-30
Greetings from the Central Texas Area of NA!
We are grateful that our area gets to host y'all here. Please feel free to let me or Robert Mitchell know if you have any needs or concerns regarding the venue or food while we are here. While we do have volunteers helping from our area today with serving food and whatnot, we could use some added hands for cleanup after this meeting today if any of y'all can swing it!
We have 43 groups in our area, most of which meet once or twice a week. Two groups are virtual: one meets seven days a week, and the other meets once a week. Three groups are hybrid and they each meet once a week. Our H&I subcommittee serves nine facilities Almost all of our area service positions are filled - just missing a lit coordinator and recorder for our H&I subcommittee.

Some recent updates since the last RSC in May:

● Our webmaster switched over to a new calendar hosting program called Mayo which is getting more popular in NA to make it easier to share events between areas and regions. GSRs can log in and add events directly to the calendar. If all the areas in TBRNA swapped to Mayo, the regional calendar could automatically list all area events! Please contact our webmaster Geo C. at webmaster@ctana.org if you'd like to learn more about switching to Mayo.

● Two groups meeting at the same facility merged into one group which continues to host both meeting times.

● Our fellowship development facilitator chooses a 'meeting of the month' to encourage support for struggling meetings. Twisted Sisters, the group which was chosen for July reported that they gained more attendees and even gained a home group member!

● The Miracles and Solutions group in our area hosted two speaker jams - one titled 'Men of NA Speak' on Father's Day and a 'Family Fun Day' on the 4th of July to fundraise for the group's anniversary celebration in September.

● The Common Welfare subcommittee hosted a speaker panel on the topic 'Diversity is our Strength' which included a Q&A session which was fruitful.

● Our Newsletter facilitator Holly H. is working with our PR and fellowship development

team to potentially record audio of speakers at various area events to post online publicly or just share within our area.

● Attendance was low at our area poster day, so our PR facilitator is brainstorming other ideas to help raise awareness about NA and encourage attendance.

● A new group has opened its doors in Leander! They start meeting on August 18th.

● Recovering addicts in our area are working hard to get things rolling for TBRCNA 2027.

Please spread the word in your areas!

Esperanza Area

groups/meetings in Area- Esperanza Area comprises groups that meet in San Antonio, Cotulla, Del Rio, Eagle Pass, Hondo, Karnes City, Kenedy, Kerrville, Lytle, Pleasanton, and Uvalde.

We currently have 46 groups holding 89 meetings weekly. We have a group of addicts recently start a meeting in Carrizo Springs; Tuesdays, 6 pm @ 305 N 5 th St in Carrizo Springs. We have also been in contact with an addict, who is interested in starting a meeting in Laredo.
Area-level trusted servant positions filled- EANA ASC meets on the 3 rd Sunday of each month. Current positions are as follows: Facilitator-Esteban R, Co-Facilitator-Grace M, Alternate Recorder-Brittany D, Treasurer-Tommy H, Activities-Cynthia R, EACNA XII-Dustin J, FITW 2026-Felicity K, H&I-James B, IT-Roger S Sr, Literature Bank-Delmar E, Phone Line-Stacy P, BOD-Roger S Sr. Recorder, Alt-Treasurer, Lit Review, Fellowship Development, Public Relations, Policy facilitator positions are currently open.
Area & Group events- Frolic in the Woods, Oct. 2-4, at Garner State Park. EACNA 12, Jan. 15-17. Flyers for both are in report.
Group tally on old regional business & proposals sent back to Area- At the July ASC, the area consensus concerning TBRCNA was they felt it should not be discontinued. There was a suggestion made concerning making it every 2 years after the previous commitments are met.
Requests for services to area or groups from region & sub-committees- Since EANA does not have a PR or FD facilitator, I would be available as a liaison between regional sub-committees and the addicts desiring to start/develop meetings in the southmost locations of the area.
Any other requests for local support- None at this time.
Donation to region- Donation for region will be reported verbally due to the information not

being available at the time this report was compiled.

Addendums to report per Satch L.:

Thank you to RDs for coming down to do workshops.

Donation to Region, since we turned in report our treasurer had not closed the book out. So we will not be able to make our report donation to region.

Hill Country Area

Hill Country Area RCM Report

Tejas Bluebonnet Regional Service Conference | August 8, 2026

Serving Kyle, Johnson City, New Braunfels, San Marcos, Seguin, Universal City, and Lockhart

Good morning everyone,

Hope everyone is doing well.
Hill Country Area currently has 16 established groups and meets in person with a virtual option. Our most recent Area meeting was July 19th, and our next Area meeting will be August 16th.

Area Update:

Since our last RSC, our 21st ROAR was held June 6th in New Braunfels and was a great success, with 100+ people reported in attendance. Thank you to everyone who came out and supported the event and to the Activities Subcommittee for all the work that went into it.

Several groups reported newcomers, speaker meetings, celebrations, and steady attendance.
Recovery At Work in New Braunfels is still asking for support. Their July report said attendance remained low, and the group may consider going virtual or closing if attendance does not become more consistent over the next 3-6 months.

H&I and Public Relations
We have a good update from Comal County Jail. Brian and Tony held the first H&I meeting there in July, with about 15 inmates in attendance. They are currently scheduled for the second Friday of each month and are looking at whether they can go more often, get additional members approved for service, and eventually carry the message to the women's side as well.

H&I is also working on a possible monthly commitment at Texas Help, a coed recovery center in San Marcos, and is looking for a panel leader and volunteers. Hays County is going well, Hays County Women's still needs a panel leader, and Kyle Unit continues to do well.

Website and Phone Line:

Our July Web Servant report showed 10,000 website visitors in the previous 30 days. The final Twilio attestation approval was received in July, completing the remaining approval that had been pending for our phone line.

Regional Guidance Requested:
We have one item Area specifically directed the RCM team to bring to Region, plus one discussion Area suggested we bring forward for shared experience.

1. T-shirt vendor issue. Area is still owed a $636 refund for a T-shirt order that was not received. At our June ASC, Area decided to ask the RCM team to reach out to Region for guidance. The July Treasurer report clarified that the payment was made directly from the Area account through Cash App and noted that our Vice Chair had reached out to Region. Since then, a demand letter has been prepared while Area works through the next steps. We would still appreciate any experience Region or other Areas can share about handling a failed vendor transaction like this.

2. Open carry at NA meetings. At our June ASC, members discussed open carry at NA meetings, including group autonomy, the Traditions, meeting safety, and whether a group can address it in its format. It was suggested that we bring the discussion to Region. We would appreciate shared experience from other Areas and groups on how they have handled similar situations.

Hill Country Area RCM Report | August 8, 2026

We continue sharing information about TBRCNA 27 and the need for members willing to serve. The current Brazos Valley proposal concerning the convention was shared with Hill Country Area contacts on July 19th.

Anything from today's RSC that needs additional discussion or an Area conscience will be taken back to Hill Country and shared with our groups.

Thank you all for allowing us to be of service.

Houston RCM 1 Report

August 6,2026

There are 44 groups in Houston area in person and online. Our ASC is 1st Sun of month from 10:30 to 1:30, It is online. We elected some new trusted servants H&I chair, Anthony back in, PR Reginald, HACNA Facilitator: Hershall.

We are having a GSR workshop by RCM1 and 2 and September 19, 2026 to include Ray and Henry RD and RD alternate, at gulf coast club, food available and in person. It is from 11 to 4.

No proposals for RSC at this time,

Sincerely Roberta F RCM 1, HASCNA

Addendums post report submission: Need new treasurer and co-treasurer. Our area events, there are quite a few, they're posted on the website. We're having a speaker jam!

Northside Area- Bart P.

This is the Northside area report to region: We have 9 groups and have 26 meetings per week, with 2 of those hybrid…our annual event to celebrate recovery and promote unity is The Fellowship By the Lake which is held in Huntsville State Park usually the 3rd weekend in March. Our H&I takes meetings into the walls unit and took meetings to a treatment center until they closed their doors. Many of our members take part in other happenings around the region like RBS in corpus ..or frolic by Esperanza area etc sadly we get little return from this region I hope that improves.

SETANA AREA

Jerry L.-- RCM-1

Dawn C.-- RCM-2

Greetings trusted servants,

I am out of town and cannot attend, but Dawn C, our RCM-2, will give my report for me. Please see that her name and particulars are added to the trusted servant list for Region and that you remove Paulina from that roster: Dawn C. – (337) 495-6331 email – dawn0408@gmail.com.

SETANA has 38 meetings a week in our draw area which serves Jefferson County (Beaumont & Nederland), Orange County (Rose City and Orange, TX), and Tyler County (Woodville, TX).

Though our local SETACNA 3 Convention was a success, by all accounts we only made a modest profit, and got our seed money back. Our area is deciding whether or not to donate an additional amount to the Region. It is not in our Area Policy to donate to Region when it comes to area conventions, so we may address that further on.

Also, about donations; our treasurer shows that an $81 check was sent to the TBRNA Post Office box in May and has not been cashed yet. Any word about receiving that?

Area Activities – Blu B. will hold a subcommittee meeting for our annual Unity Dinner August 8th @ 6pm at New Life NA in Rose City, TX. Unity Dinner date is set for November 14th from 5:00-10:00 PM location of the dinner will be determined soon.

H&I – Brian A. reported that we are still going into North and South Point Wellness, Women's Unity & Revive treatment centers with our H&I program. The women really need support at all locations. H&I are still accepting donations for books to get in the hands of the women in rehab.

The idea of having and H&I learning day in our Area has come up and might be something to help our Area recognize the importance of this sub-committee.

Both Chairpersons are stepping down from this position in September in the spirit of rotation after having served for several years.

The 2028 TBRCNA Convention in Beaumont has been voted on and turned down. We will not host the 2028 TBRCNA, even with the help of the Texas-Tri-County Area. We do not have the confidence, nor do we have the volunteers to pull off that large of a convention this time, so soon after our own convention. We, as an area, are rejecting hosting that convention.

Although, logistically, it makes better sense to have SETANA take the lead on this, since the convention location has already been decided to be in Beaumont, we cannot accept hosting that convention at this time. We will support that convention with volunteers from our area as needed and asked by whomever hosts the convention.

SETANA met on July 28th for our regular business meeting. We have voted on two of the proposals: to hold regular RCM Orientations, we have voted Yes on that proposal.

As to the proposal on whether to have TBRCNA conventions after 2029, our area voted Yes that they would like to continue having TBRCNA, but have no recommendation as to how often that should occur, in their opinion.

We have not taken votes on any of the other proposals.

For the record, there are no current plans to hold a SETACNA–4 area convention in the near future.

Facilitator's Report

Aug. 8th 2026, RSC
Hello everyone.
Since the Last RSC

This last Quarter I have attended the first 2 Sub Committee meetings for TBRCNA27, I also was able to attend 3 of the NA Texas meetings, although only for about 30 mins each time, as my home group starts at that same time. I also attended Contracts & Archives and Convention Task Group.
I took a call from Hill Country Area concerning a "Theft of Services". I called upon a member I know who is a lawyer and asked him to help Hill Country Area with this situation.

I would like to remind all that the RSC is scheduled for one Saturday every 3 months from 9 am to 5 pm. I ask all admin and RCM's to fulfil their commitment by staying for the entire RSC. We do have business to attend to at the close.
Other events I attended ROAR Recovery On A River by HCANA, CTANA's Anniversary Event, CBANA,s July 4th Event and of course RBS Recovery By the Sea.
Thank you
Kent L.

Co- Facilitator – Mario V.

Hello family my name is Mario and I am an addict. Let me start by saying it is an honor and a privilege to serve this region as co-facilitator.

By committing to being non-professional, we ensured that our simple way will be an enduring legacy-freely given among equals, our program is safe from the whims and fancies of the public. We are also free from any implied authority or expertise of our members. When we "come to an understanding of the program" for ourselves, we become skilled at sharing our own recovery. No one certifies us as NA members, and no one can fire us. Our membership, our recovery, and our experience or ours alone.

Guiding Principles page 139

I have attended the Southern Zonal Forum PR workshop, the Regional PR meeting, the last 3 Areas, 2 of my home group's conscience, served on RBS'S 42 committee and attended RBS. Again, to reiterate that this region meets every quarter from 9:00 to 4:00 and we're asking all that are here to represent their areas or subcommittees are committed to start on time and stay to the end.

In loving service Mario V.

Co-Treasurer - Vacant

This position is vacant.

Recorder – Blake J.

My name is Blake, I'm an addict,

Thank you for allowing me to attend virtually last time. I try to get these approved and submitted as quickly as I'm able, the prompt delivery of each position's report is most appreciated. I welcome and am open minded to any corrections or guidance that could make our Record better and more helpful to members of the region. Please let me know if, after review, you find an error or have a suggestion. Thanks for letting me be of service,

Policy – Jaime F.

TBRNA AUGUST 8,2026
POLICY REPORT

Good afternoon all. The revisions to the policy were made to reflect the changes to 10.7.4
The TBRCNA Bank Account has been created by TBRNA. After each TBRCNA, $18,000.00 will be set aside as seed money for the next TBRCNA. The remaining profit after the seed money is deducted will be distributed to the RSC. The RSC will also be responsible to ensure that the TBRCNA bank account is replenished prior to the next year's convention committee being given access to the account, if the previous year's convention ended with a shortfall.
This was per the proposal that I have attached to this document. The updates had been added to the policy and posted on line
Thank You For Allowing Me To Be Of Service
Jamie F.

Proposal #1 BVANA: Section 7.10.4; To remove "The remaining profit after the seed money is deducted will be distributed 50% to the RSC and 50% to NAWS." To replace with "The remaining profit after the seed money is deducted will be distributed to the RSC. The RSC will also be responsible to ensure that the TBRCNA bank account is replenished prior to the next year's convention committee being given access to the account, if the previous year's convention ended with a shortfall." Intended to be retroactive with the close of the TBRCNA-26 convention. We are open to a friendly amendment to be in effect after this year's convention. Intent: Considering the current economic trend, the TBRCNA event is now the major fundraising event in the Region, surpassing 7th tradition yearly contributions from the Areas in the Region. Section 7.10.3 5th bullet item: "The RSC authorizes the Treasurer to apply the following recurrent expenses per RSC. *Narcotics Anonymous World Services (NAWS), 20% of funds remaining at the end of each RSC, excluding the prudent reserve." This clause continues to ensure that the NA funds flow as prescribed in the NA Guide to Local Services in a more practical manner. That does not hamstring RSC with an annual convention separate donation. That was in the past year been divided 3 times, so that we would have the funds to maintain operation as a Region. At the February RSC we pasted a proposal to move the NAWS contribution from right after the event to August. This only kicked the can down the road without addressing the income side of the economic equation. That could help cover our budgetary expenses. In the past, we have a consistent history of passing along funds, when monies exceeded the prudent to NAWS. This will probably continue funds permitting.

Consensus was reached for this proposal, with the friendly amendment to simply remove the 50%-50% verbiage regarding the donation

H&I – James B.

SUMMER 2026 RSC

Saturday, August 8th, 2026

It's an honor to serve Tejas Bluebonnet Region of Narcotics Anonymous and this is the H&I facilitator's report.
Accomplishments:
Unfortunately, I have to step down from the H&I facilitator because miraculously I got accepted to graduate school. At the previous TBRNA H&I subcommittee in June, we discussed if there were any nominations with the guidance of my sponsor as well as moving the regional H&I learning day to a different
Area for hosting. Also, we discussed Behind The Walls being held virtual at the next TBRCNA 27 which was taken to the Programming subcommittee by the current H&I facilitator for CTANA, Tomas S. The SETANA H&I subcommittee has requested some literature for their panels so I wanted to propose using our
budget to send them some literature. At the TBRCNA 26 H&I orientation, the regional chaplain said we are
wanted back at Dominguez unit in San Antonio, Texas and the Ney unit in Hondo, Texas so we are in the

process of finding a certain date for 3 volunteers that were approved, see how it goes, and eventually finding
a panel leader who is willing to serve the addicts who still suffer.
Upcoming Plans:
At the next Esperanza Area Service Committee meeting on Sunday, August 16th, we have a nomination for
the upcoming H&I facilitator who is John M. We have set a date for the Esperanza Area H&I Book Drive for
Saturday, October 31st. The location is still being determined. I am attaching the traveling expenses on the
2nd page of this report.

Public Relations – Brian N.

08/04/2026.
Good afternoon,
It has been an eventful few months and I am grateful for the experience.
Below is a summary of activity since our last RSC.
By consensus the TBRNA PR Subcommittee meeting is held virtually on the third Tuesday of each month
from 7:00 PM to 8:00 PM via Zoom.
Meeting ID: 945 1455 7422 Passcode: 185920
Our last meeting was held July 21st, and the prior meeting was held June 16th
.

Members involved or interested in PR service have been asked to attend the Southern Zonal Forum PR/FD Virtual Meeting which is being held at 6:30 PM on the second Tuesday of each month.
Meeting ID: 889 4276 0450 Passcode: 121212
I am happy to inform you that your area PR facilitators showed up, and the Tejas Bluebonnet region was well represented. With Northside Area, Houston Area, Tri -County Area and Coastal Bend Area present the conversations were informative and light and the atmosphere was electric.
Huge thanks to Kristin D, our SZF FD Facilitator, and Craig G, our SZF PR coordinator, for hosting these regularly scheduled meetings so that we can continue to grow together in unity.
We started off with a very informative presentation held June 13th by the Central Ohio PR subcommittee concerning Virtual NA Prison Meetings. It was a delight to gain insight into the steps that were taken to get where they are today with Multi state virtual prison meetings serving MBTW (members behind the walls) and regularly scheduled H&I Prison meetings.
We are also grateful to Rich R, our world services public relations team assistant, for making it possible for our members to get not only informed but get involved in PR service via Quarterly Webinars and invitations to volunteer in focus groups.
• The most recent NAWS PR Webinar was held July 18, 2026, 9am PDT the topic included a

Presentation from the EDM (European Delegates Meeting) PR Committee on its history and current efforts.
• Discussion on how Areas can help motivate their members into PR service and new ideas for generating enthusiasm for PR service.
The next Webinar is scheduled for October 2026 the exact time and date will soon be posted.
Two project plans focus on public relations: Fellowship Awareness and Engagement with PR Service (supporting NA members and service bodies in PR work) and Raising Public Awareness of NA (creating tools for external audiences including the general-public, government, treatment, and medical professionals). We anticipate focus groups and web meetings on PR tools, professional resources, and local service engagement in this 2026 -2029 cycle.

Our first task requested by this service body was accomplished just in time for PR week. A new Facebook PR page to assist the general Public with information on how to find our meetings and connect with our service committees was created along with a guideline for future NA Public social media administrators.
The next PR Learning Day is being hosted by the Northside Area on Saturday August 22nd at 1:30 PM where the Better late than never NA meetings are held. 2030 FM 2854 Conroe, TX 77304.
We have approved a new slide deck covering the following topics selected from the PR handbook.
• What is PR
• Principles in action
• Why is PR important
• Planning Basics
• Strategic Planning
I have elected to use the Zoom account created by the outgoing PR Facilitator.
My only request for this cycle is reimbursement for fuel to get me here and back home.
I will provide my fuel receipt to the treasurer.

Sponsorship Behind the Walls – Susen G.B.

Hello All,

I've sent out the flyer to half of the prisons, 52. I'll be sending out to the other half this month, I've brought the flyers with me on vacation. When I receive confirmation from the individual prisons I will send that contact information to NA Texas to put in their database. I'm not requesting any money, the printing, envelopes and stamps are my financial living amends to the fellowship.
Thank you to the body for electing me for another term. I'll send the guidelines when I get home in October. I will be looking at the AAi guidelines and see how we can combine the two together.

Thank you,

Susen G.B.

She nominates herself to stay in the position. She understands and agrees that adopt an inmate and sponsorship behind the walls should be joined together.

TBRCNA 27 FACILITATOR REPORT
August 8, 2026

The TBRCNA 27 Convention Committee is doing well and all subcommittees are on track in keeping with our timeline. We did a group review of everyone's timeline and how they work in conjunction with each other at our July meeting. This will keep us all aware of our next tasks. Our in-person meetings are very well attended and we also have others joining virtually. That being said, we still have a very real shortage of volunteers serving on these committees and I encourage others to please step up and join us.

Our registrant total is 128 as of yesterday. Our Newcomer donation fund is currently at $440. We have $680 in T-Shirt sales so far. We have about 40 more shirts available and I do have them here today. They are $20 each and we would appreciate the additional support in getting them sold.

Myself and Randie B. met with our Event Coordinator at the hotel on Friday. We were able to get clarity on several things that have come up. At this time, we are planning to add a Breakfast Buffet that will be available on Sunday morning just before the Spiritual Speaker meeting. We were able to add another protein option to our Dinner Banquet menu and increase the number of tickets for that to 120 as well. The Hospitality Suite guidelines were explained and seem to be in line with our expectations and what we have done in the past. Some things that will be

different this time are:

1) We will NOT be permitted to have crock pots or hot plates in the Hospitality Suite.
2) We will NOT be hanging the banners from prior conventions.
3) The hotel will NOT be accepting cash at all. This includes for all rooms, restaurants and the coffee shop.
4) The hotel will NOT have any food and beverage services available to us from 1:30-5:00pm Friday and Saturday.
5) The hotel will NOT be opening the parking gates and all members will be required to have their tickets validated.

We will be having a Burgers & Bingo Event to support the convention on August 29 th at RFATX from 1-4pm. There will be a suggested donation that includes one bingo ticket, with additional tickets sold for $1. More details to be announced and a flyer to be published soon. This will be one of our few events in support of the convention, so please get the word out, share about our needs at meetings and PLAN TO ATTEND and celebrate our unity. We really need a great turn-out on this!

Starting this month, we will also be selling Mystery Gift Tickets for $2 each or 5 for $8. Various committee members will have tickets with them at all times, at meetings and at all events.

Again, this is a huge opportunity for us that can make a big difference to our funding and we can enjoy something fun and different.

Our monthly Convention Committee Meeting is held the 3 rd Saturday of every month from 10-1. Details for attending in person and virtually are included here.

NA TX Liaison – Randie B.

NATEXAS.ORG
Report to Region
August 2026

Bank balance is $613.68.
Our mail project has moved forward and we have mailed out a little over 275 postcards to the lists we have. We are working on the email blast to go out soon. We will also be compiling a list of cities we have not received lists from so we can look into getting those lists.

We have received two requests through NATEXAS that were forwarded to the Tejas Bluebonnet H&I and Esperanza Area respectfully.

I will be presenting at Multi Zonal Service Symposium alongside US Collaboration of Zones as what we do is very similar. This will be held in October in Wichita, KS.

The most exciting news is that we are looking at moving forward in contacting TDCJ regarding Virtual NA Meetings in the State of Texas. I have attended virtual meetings in other states and they have resources and information as to their success and hard work. When approaching TDCJ we will be able to share those resources with them as well as invite them to attend a virtual meeting with 7 units in attendance as well as a monthly meeting with the administration in those units where the success and how they handle security, etc. can be shared. This could possibly take a while to be considered but I am remaining optimistic as this has been a dream of mine for a very long time. We are looking into a virtual mailbox so we may put a return address on our future mailings.

Please let us know if you would like a presentation at your Area to keep this project moving forward.

Date of next meeting is: August 31, 2026 @ 6:30 PM.

Selections:

Susen G.B. nominated and consensus was reached for her to remain in the Sponsorship behind the walls facilitator role.

Proposal 1: from BVANA To combine the qualification and duties of AAI and SBTW as one facilitator.

The policy facilitator can facilitate the clerical wording changes to the policy.

Intent: 1. To reduce the number of Regional sub-committee facilitators, a cost reduction in travel. 2. To have a single point of accountability with TDCJI, a concept application. And 3. to eliminate the need for coordination between the current 2 facilitators

Discussion:

We're not able to locate any policy on the position to begin with.

We may need someone to draw up guidelines and policies.

Proposal was approved with 100% CONSENSUS

Policy to get with Susen G.B. to get these guidelines and policies combined.

Proposal 2: from BVANA Policy Change RD and RDA Elections

Proposal: Policy change, RD and RDA Elections
August 8, 2026

Current policy; Section 6
The Regional Assembly will be held annually in March between 9 am to 3pm on Saturday or Sunday. Elections for the RD team will occur at the assembly in the year following the in-person WSC. All other regional assemblies can be used for CAR/CAT motions, IDTs or workshops.

The RD will schedule the date for the assembly in consultation with the RDA, Facilitator, and Recorder. The assembly will be held virtually.

The italicized words underlined are to be replaced and simply underlined capped.

Section 6
The Regional Assembly will be held annually in March, from 9am to 3pm on Saturday, Sunday or both.
Elections for the RD team will occur at the Assembly prior to the WSC (3-year cycle physical) meeting. The term for the newly elected RD and RDA positions will begin after the current team's physical WSC report to region. The newly elected team no funding until they assume their new position.

All other Regional Assemblies can be used for CAR/CAT proposals, IDTs or workshops.

The RD will schedule the date for the Assemble in consultation with the RDA, TBRNA facilitator and recorder.

Notes:
1) This not only eliminates the 10-month (May to following March) lag in elections. It builds in a 10-month optional training period for the newly elected RDA. The previous RDA typically moves into the RD position. Thus, already a team member. If the RD is also newly elected, not a transitional election, they too have the training opportunity.

2) It eliminates the need for a 'special' RD team election, like we did in May, without the Area GSRs (group participation)

3) This maintains the direct participation of the Area GSRs and RCMs electing the RD team.

4) There is no additional financial impact.

5) This also follows; Traditions 4,9, Concepts 1,2,3 and Guide to Local Service (pg. 93) Regional Delegate elections "Some regions have

delegates begin their terms immediately upon election; others begin delegate terms shortly after WSC meeting"
Written by Michael C, based on discussion at the May RSC.

Discussion:

Why are we having an RDA sit in for 3 years and then put the position up for open vote? Policy states that RDA is an automatic nomination for RD.
The policy is in place so that if the RDA is not fulfilling their duties the body can elect a willing servant.

Is there an issue around the dates of the conference, the car/cat that comes out and our elections of our RDs and RDAs.

Proposal was approved with 100% CONSENSUS

Proposal 3: PR sub-committee Public Relations Regional Social Media Policy

Proposal Form #1 Name: Public Relations Regional Social Media Policy:

Motion/Intent: To provide guidelines for Public Relations Social Media Accounts Maintained by the Tejas Bluebonnet Region of Narcotics Anonymous.

1. Social media as defined by Merriam-Webster is form of electronic communication (such as websites for social networking and microblogging) through which users create online communities to share information, ideas, personal messages and other content (such as videos).

2. As with other information technology, Public Social Media Accounts (PSMA) shall be maintained by the Public Relations subcommittee of the Tejas Bluebonnet Region of Narcotics Anonymous (TBRNA) and the responsibility of maintaining such shall be assigned to selected volunteer members of the PR subcommittee.

3. Any use of commercial social media websites by TBRNA shall conform to the Steps, Traditions and Concepts of Narcotics Anonymous (NA) and the policies of the TBRNA.

4. The use of PSMA maintained by TBRNA shall also adhere in letter and spirit to the preceding guidelines.

6. All use of PSMA maintained by the Public Relations subcommittee as delegated by TBRNA is for the purpose of information only.

7.Posting may only be done by the Public Relations subcommittee member responsible to TBRNA for the purpose of informing the public of our presence and purpose.

8. Discussion Forums shall not be opened nor made available for public engagement as the purpose of this is to fulfill the spirit and letter of the 10th Tradition as it reads, "Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy." Furthermore, this reduces internal controversy within TBRNA.

9. Types of information that may be posted to the PSMA shall be limited to public information only, names and photos of individual members for any purpose should not be included according to the 11th and 12th Traditions regarding anonymity.

10. Public Social Media Administrators shall be selected by PR sub-committee members to serve as site administrators for a period of two years per term.

11. The pr@tbrna.org email address is used to maintain continuity of communication and protect the anonymity of the admin responsible for posting approved PSAs.

Discussion:

Is this a policy? A guideline? Where does this go?
Much discussion around where this goes in our policy.

Proposal was approved with 1 assent with reservation and 6 consensus.

Proposal 4: from BVANA To change the TBRCNA convention to an odd year event starting in 2031.

Intent: having signed hotel contracts through 2029 to reduce the regional strain of producing the event, logistics; manpower and economic burden on seed money.

To reduce the economic strain on members attending various conventions. We all budgetary and time limitation on number of events we can support, while striving for balance in our lives.

We as a Region are here, solely as support to the Areas we serve. Dividing the Fellowship economic pie additionally with the regional convention is our concern'. whereas we have no say so one the various Area and Group conventions held. Furthermore, the Area conventions typically follow the NA Guide to Local Service and distribute funds to Region. Thus, the reduction of events might actually increase the fund flow in the NA service structure.

Are convention gatherings more a fellowship support event, or specific parts of the fellowship sharing their personality and self will, in the name of economics.

Discussion:

We need to get a message to the area that you don't host your own…right before you're supposed to host the regions convention.

There's something nearly every month. EACNA, TSC,

Proposal was sent back to areas with RCMs.

Question, wouldn't it work out better if we had the regional convention in the off years. (Off years being the years when the areas aren't having their conventions)

Friendly amendment to have TBRCNA in EVEN numbers instead.

Some of these events are the same time every year. What are the pros and cons.

Question, is there a reason why we don't hold TBRCNA in the fall? (This convention has been held in the same time window for the last 26 years.)

Originally Texas was one region. In 1978 TBR was developed. We waited ten years to do our convention. We decided in the spirit of rotation to rotate the location between the areas.

Closing Treasurers Update:

Treasurer's closing remarks:

The closing balance at the end of August 2026 RSC was $1119.94. We are not making a NAWS donation this quarter because we are below our Prudent Reserve of $1500. We generally send the Southern Zonal Forum a donation of $300 per quarter. The body agreed to push off this donation to Nov 2026 and we shall make a donation of $600 (Aug and Nov 2026). Thank you for allowing me to serve.

Light and Love,

Chris C TBRNA Treasurer

Next TBRNA RSC is on November 14th in Houston.
