#### PR- Chair - OPEN

LIT Review- Lynn S- One thing that was so exciting for Literature Review was being able to reach people who don't normally go to Area or Region. Some of them were hearing about the Project for the first time. One Group was so interested they asked Literature Review to do workshops for their Group once a month for the Tradition A Month format. The first one is this Tuesday the 12<sup>th</sup> from 6-7 pm at the Journey to Recovery Group at Palm Heights United Methodist Church, 211 N Park San Antonio. The workshop will be on Traditions Two and Three.

The workgroup has given us a new calendar for input, that includes deadlines, and the schedule for Review and Input.

The deadlines for input are:

Tradition One – July 31, 2014

Traditions Two-Seven - November 31, 2014

Traditions Eight-Twelve – March 31, 2015

The Review and Input periods will be:

Introduction and Tradition One – October 2014-January 2015

Traditions Two-Seven – February-April 2015

Traditions Eight-Twelve – May-August 2015

It is important for you to know that input on any Tradition will continue to be accepted up to and until March 31, 2015. The Discussion Board is still active and Literature Review will continue to hold workshops.

It is important for you to know that you do not have to have worked the Traditions to submit input.

In the future the workgroup is considering holding webinars to help 'set the direction" of the drafting and revising the Project as the cycle goes on.

Literature Review has reported in the past about the availability of our literature as e-books. The e-books were expected to be a 'major revenue source'. Unfortunately that has not happened. NAWS stated – It appears that many members continue to prefer paper books. E-books will still be available however and can be found on Amazon and iTunes.

There is concern about groups of members distributing "self-published" versions of the Basic Text. World Service prefers not to take legal action if it can be avoided. Phone calls have been made and letters sent to those involved. Some members have cooperated but others have not. NAWS hopes the "will of the fellowship" will resolve the problem. They stated – Until the fellowship decides this behavior is unacceptable it will continue.

#### **H&I- Esteban R- OPEN**

Adopt An Inmate- Robert R - I am very grateful that this last quarter saw an increase in Basic Texts sent out. In this last quarter there were 15 copies of the Basic Text sent to 7 different facilities. There were 2 copies of the Basic Text sent out the Michael Unit as well as 2 copies of the BT to the Henley Unit. 1 copy of the Basic Text was respectively sent to Clemens Unit, Clements Unit, San Saba Unit, and BCADC. 3 BTs were sent to the Marlin Unit. And last but not least 4 copies of the Basic Text were sent to Dominguez State Jail. I did also put in a new order for 13 BT's however the order was submitted after our Region's treasury was reconciled so that order will be shown in the next quarter's expenses.

#### Motions:

- Our area is supporting Allen E. in his bid for the TBRCNA 2016 convention facilitator position.
- We would like to propose reimbursing areas that cannot afford to send their delegates to the Regional Service Committee Meetings. This would fall under the same guidelines as the Travel and Per Diem section of TBRNA Policy. The intent is to ensure all areas can be represented and informed at the regional level.

NASCONA- still has eight groups holding 36 meetings a week. We have open positions for Co-Treasurer, H&I Chair, PR Chair and Literature Review.
