

PR/PI SUBCOMMITTEE REPORT TO REGION

DATE: 08/12/16

SUBCOMMITTEE NAME/ATTENDANCE: Regional Service Conference Summer 2017

MEETING PLACE: 204 South Taylor Alvin, TX 77511

DAY/TIME: 09:00 AM -

COMMENTS, PROBLEMS, QUESTIONS: I attend the HCANA's R.O.A.P. event with the PI Display. I gave out 5 New Comer Survivor Kits to HCANA Activities Committee. At last RSC I handed out forms to be filled out by Area's pertaining to their Service Committee members. This is to help me getting to know each Area's Service Members. I will re-send this form again via email. I'm hoping to create a calendar of Area events. This calendar would be shared among the various area's and service members. I am working on revising the TBRNA logo. It will have the same look and design, but it will be a higher resolution for printing purposes. If any Area or group is requesting a Learning day or would like th NA PI booth set up at their event let me know.

ACCOMPLISHMENTS, GOALS, ACTIVITIES: PR/PI Workshop during break-away time: Chapter 4 Interacting with Public TBRNA PI/PR Booth will be set up at Miracles and Solutions Anniversary Convention on Sept 1-3 in Austin TX.

ITEMIZED MONTHLY EXPENSES (ATTACH SEPARATE SHEET IF NECESSARY) NONE

MOTIONS FOR ASC Create a calendar on the TBRNA.ORG website for Regional events, conventions, I would like to propose to integrate the open position of Internet Technologies w/ PI/PR. This way I would be allowed to update the TBRNA website.
