

SUGGESTED GROUND RULES

We all agree:

Discussion goes around the table;
everyone will have more than one chance to speak.

To share the time; each person is given
equal time to speak.

If I wish to respond to something someone has said,
I will wait for my turn.

(Tip: Use the Notes Sheet to help remember your point.)

When it is my turn, I can speak or pass.

When my time is up, I will stop speaking.

*(Tip: If you haven't completed your thought, use the
Notes Sheet to help you remember your thought.)*

To respect and follow the facilitator's directions.

And above all...

We all agree to have fun!
