

TBRNA Policy

The Tejas Bluebonnet Regional Service Committee (TBRSC) was formed February 12, 1994 to simply help unite and assist member Areas in fulfilling NA's primary purpose. Hopefully we shall always remain simple and avoid the perplexity of politics and financial debates. This region is a member of the Southern Zonal Forum and a participant in the World Service Conference.

Policy should always be guided by the principles of the Twelve Traditions of Narcotics Anonymous and the Twelve Concepts of Service.

This policy shall be updated after each Regional Service Conference (RSC) as needed, and emailed to all Tejas Bluebonnet Regional trusted servants. A Policy Change Log shall document policy changes made during the year. A Motion (pre-CBDM)/Proposal Log shall also be kept at each RSC.

The Tejas Bluebonnet Region of Narcotics Anonymous (TBRNA) will reimburse the hosting Area for facility rental for the RSC only. TBRNA will also pay for facility rental for workshops the following day of the RSC.

1.1.2 Virtual Meetings (Zoom)

For virtual meetings on electronic platforms, the Region shall provide the meeting code, (and password if applicable,) to all members and participants at least 48 hours before the time that the RSC convenes.

1.2 Requirements for Seating an Area

1. An Area requesting to join the TBRNA has clear geographical service boundaries within the boundaries of the Tejas Bluebonnet Region.
2. The Area has a committee that meets on a regular basis.
3. The Area has an elected representative to serve as a Regional Committee Member (RCM).

RCM	15 minutes for each Area
Subcommittees	10 minutes for each

2. GUIDELINES FOR CONSENSUS-BASED DECISION-MAKING (CBDM)

1. RSC participants can bring proposals to the body. Only members who are trusted servants can vote.
2. Consensus is defined as 80% or more of the RSC participants in attendance, with each participant having only one vote.
3. Facilitator asks the body for clarifying questions about the proposal (*not a debate on the merits but a brief session to be sure everyone understands the proposal*). All Narcotics Anonymous (NA) members in attendance are welcome to participate in discussion.
4. Facilitator asks whether anyone has any reservations about the proposal. These are heard, and they may be answered or the proposal may be amended.
5. When all reservations have been heard and answered in this way, facilitator asks, "Do we have consensus?"
6. Participants respond in one of four ways:
 - a. **Assent:** To support the proposal, all things considered. Assent is signified by remaining silent. It may not mean that I'm in agreement with every aspect, but that I've heard the discussion and had my chance to participate in the process of finalizing the proposal, and am prepared to support it.
 - b. **Assent with Reservation:** It is done by raising your hand and simply saying when the facilitator calls on you, "Assent with reservation." The Facilitator will ask if a participant wishes to share their reservation to be noted in the Record. This is not materially different from Assent, and is the option often left out for that reason, but it is sometimes included as a way of giving people a place to stand when they don't want to object more strongly, but they do want to note that they have reservations.
 - c. **Stand Aside:** It is a statement that I do not support the proposal, but my objection is not of the nature or the severity to warrant a block. A common misconception about the stand aside is that it is similar to an abstention. It is not. It is more accurate to say it is similar to a "no" vote. One of the RSC's guidelines needs to be how many or what proportion of stand asides indicate a consensus too weak to adopt the proposal.
 - d. **Block:** Given that a proposal can be defeated by a sufficient number of stand-asides, the block should be an extremely rare step taken only when a participant honestly believes that the proposal is in direct conflict with Traditions or Concepts, or some very fundamental moral position of the participant is violated. A member who blocks should be able to articulate which tradition, concept, or moral position with which the proposal is in conflict.

3. PROPOSALS

Any Regional Trusted Servant (RCMs, Committee Chairs, RD, RDA or Administrative Committee members) may submit a proposal. All proposals and their results brought before the body are recorded in the minutes. If at least 20% of the Regional Committee Members (RCMs) request that a proposal go back to the areas for discussion, it does. Voting and proposals are made by any RSC participant. Decisions will be made by CBDM.

Only RCMs will participate in decision making on business proposals which have been sent back to the areas for consideration.

4. VOTING

Any Regional Trusted Servant (RCMs, Committee Chairs, RD, RDA or Administrative Committee members) except the Facilitator or Co-facilitator may vote. Decisions shall be made by CBDM when possible. Unless otherwise stated herein, consensus is defined as 80% or more of the voting members.

TBRSC Facilitator votes only in the case of a tie. Co-facilitator is excluded from voting on all proposals before the RSC.

The Administrative Committee members and subcommittee chairs shall have no vote on old business proposals which have been sent back to the areas for consideration. Positions of service are voted on by paper ballot or by show of hands. Person with the majority votes is elected. Majority is 1 plus half of the voting members (Regional Trusted Servants) present. Quorum is however many voting members are present (so business can always continue).

5. ELECTION OF TRUSTED SERVANTS

5.1 Scheduled elections or unfilled positions

1. Scheduled elections or unfilled positions of service will be placed on the agenda.
2. TBRSC Facilitator, Co-facilitator, Treasurer, Co-Treasurer, Recorder, Policy Facilitator will be elected every two years (in odd numbered years) at the November RSC meeting.
3. Position requirements and responsibilities are developed by the Service Pool Committee, approved by the RSC, and added to policy in Appendix A. Nominations are taken, volunteers accepted, individual qualifications are given, questions are asked, consensus is reached, and the elected servant is announced.
4. Election of Regional Trusted Servants: In the event that three or more nominees are running for the same position and no one nominee has consensus, the person with the least votes will be removed from the ballot and another vote will be taken. This process will continue until one nominee has a consensus. Consensus will be reached by paper ballot, with only one ballot allowed per participant. No Regional trusted servant will hold more than one elected Regional position.
5. RD and RDA will be elected in odd numbered years at the Regional Assembly.
 - a. The RDA automatically becomes nominated for the position of RD and no other nominations are taken. If there are one or more stand asides, then nominations are solicited from the Assembly, and normal voting procedures are followed. If there are no stand asides, then she/he assumes the RD position.
EXCEPTION: If the RDA was elected to fill an unscheduled vacancy, both RD positions will be open for nominations or volunteers at the next scheduled election.
 - b. This vote will be a consensus of Group Service Representatives (GSRs) and RCMs present at the Regional Assembly. Only one GSR per group may vote. If a consensus is not reached or in the event of an unscheduled vacancy, the RD or RDA may be elected by the RCMs at an RSC.

- c. The newly elected RD and RDA will assume their duties at the RSC immediately following elections.

Trusted servants elected to fill unscheduled vacancies will assume their duties upon election and will serve out the remainder of the predecessor's term and conclude at the beginning of the next term.

5.2 Standing Regional Subcommittees

1. Tejas Bluebonnet Regional Convention of Narcotics Anonymous (TBRCNA) - Refer to the TBRCNA policy posted on the website for position requirements and responsibilities.
2. Convention Advisory Committee (CAC) - Refer to the CAC policy posted on the website for position requirements and expectations.
3. Hospitals & Institutions (H&I)
4. Public Relations (PR)
5. Adopt An Inmate (AAI)

5.3 Removal of a Regional Trusted Servant

Any trusted servant elected by the RSC may be removed by consensus with a paper ballot vote. If present, the trusted servant will be given an opportunity to address the concerns presented. A trusted servant may be removed for the following:

- Relapse
- Missing 2 consecutive RSC without notifying the Regional Facilitator or Co-Facilitator.
- Not being capable or willing to fulfill the duties of the trusted servant position.
- Misappropriation of any NA funds.

The Regional Service Committee cannot remove a RCM from their position. However, Committee can notify the Area of the situation.

Subcommittee Facilitators will be elected every 2 years (in even numbered years) at the May RSC meeting.

6. REGIONAL ASSEMBLY

The Regional Assembly will be held annually in March between 9 am to 3 pm on Saturday or Sunday. Business in even numbered years will be Conference Agenda Report (CAR) and Conference Agenda Track (CAT) discussion and collection of CAR votes. Business in odd numbered years will be issue discussion and elections of a new RD and RDA.

The RD will schedule the date and venue for the assembly in consultation with the RDA, Facilitator, and Recorder. The RD will make a reasonable effort to select a venue that is relatively central to the region in order to make it as accessible as possible to all GSRs throughout our entire region. This would generally be in or near Victoria.

11. Appendix C – Audit Guidelines

Adapted from Washington Northern Idaho RSC Audit Procedures.

“NA funds are to be used to further our primary purpose, and must be managed responsibly.” – 11th Concept of NA Service.

11.1 11th Concept of NA Service

Experience has shown that regular and accurate financial audits are essential to managing NA funds responsibly. In the Texas Bluebonnet Region of NA, we have established the following audit procedures for our Regional Service Committee (RSC), Conventions & Events Subcommittee (C&E) and Convention Host Committees.

11.2 Section 1: Audit Frequency

All RSC, Subcommittee and Host Committee financial audits are scheduled, coordinated and facilitated by the RSC Auditor. Typically, audits are held before, during breaks, or after RSC meetings and at annual recovery conventions.

The Audit is held at TBRCNA and RSC committee audits are often may held when the RSC subcommittee meetings are happening during the RSC meeting break. However, the final decision of where and when to schedule audits is always made by the RSC Auditor. Although this list represents the minimum number of scheduled audits, the RSC Administrative Committee, C&E Administrative Committee and Host Committee Administrative Committees shall promptly participate and cooperate with any additional audits requested by the RSC Auditor.

- RSC Committee Audit Schedule: two audits annually in January and July, typically during RSC weekend.
- TBRCNA Host Committee Audits: three per event. The first audit is in July before the event, the second audit is in January before the event and the final audit is in July, after the event. All audits are typically held during RSC weekend.

11.3 Section 2 Audit Participants

Although attendance at audits is open to all interested NA members, participation is limited to the following trusted servants unless other members are requested to participate:

- RSC Committee Audit: RSC Facilitator, RSC Treasurer Trainee, Two Regional Committee Members selected by RSC Treasurer (attending to answer questions but not to participate in audit tasks).

11.4 Section 3 Audit Procedures

Treasurers must keep in mind that they are responsible for all monies taken in and disbursed. It is their responsibility to have sufficient backup for each transaction as described in the audit procedures below.

1. The Treasurer for the account being audited shall provide the following:
 - a. Treasury Ledger (that is reconciled and in the Quicken format);
 - b. Checkbook;
 - c. Reconciled bank statements;
 - d. RSC, subcommittee or host committee meeting minutes;

- e. Written reimbursement/funding requests with money motions;
 - f. Copies of all signed contracts for which payments have been made;
 - g. Receipt book;
 - h. Deposit receipts.
2. The RSC Auditor shall provide Bank statements with printed check images.
 3. Voided checks shall not be destroyed and must be present.
 4. All budget requests/ money motions (with back--up) should be filed in the chronological order of the ledger.
 5. Bank statements should be in order, or be in chronological order with all information such as receipts for checks written, and receipts for all deposits made.
 6. Meeting minutes must include all budget requests.
 7. All budget requests, deposits, or any transactions must have back up. Backup is defined as receipts for purchases and receipts for monies received.
 8. All budget requests and/or money motions must have a receipt to accompany the request.
 9. All deposits must have receipts from the recipient of the monies turned in.
 10. All audits are performed in sequential order and are derived from the bank statements, line by line, and all money transfers are verified sent and received by the other account bank statement.
 11. Every check written is matched up with the budget request with receipts or monthly bills.
 12. Every deposit must be supported with a receipt from every donation or monies turned in.
 13. The Quicken checkbook register is used to organize the bank statement and match it up with all budget requests and deposits.
 14. Usually the RSC Auditor will take notes of all procedural errors and anomalies. Experience has shown that it works well for one person to review the Ledger/checkbook, another to verify the bank statements, another to verify the budget requests with receipts, another to verify receipts for deposits in concert, and the RSC Auditor to take notes for anomalies or procedural errors.
 15. An anomaly for the purposes of the audit, is an irregularity, a breakdown or malfunction; a problem to be addressed and might indicate that we haven't identified the reason for the variance. Example: when you cannot reconcile the check register to the bank statement and the dollar amount of the difference is known but we don't know why or when a deposit in checkbook register does not match the bank statement deposit.
 16. A procedural error for the purposes of the audit, is something that goes against documented procedure; a break from routine. Example: we didn't get two signatures on a check or signed our own check, or when a budget request is approved but not noted in the minutes or a budget request is not supported by a receipt of purchases.
 17. All accounting books (both hard copy and/or electronic), copy of checkbook register, budget requests with receipts, bank statements with canceled checks (if provided), meeting minutes, and anything else pertaining to the treasury are turned over to the FSA Auditor at the conclusion of the final audit. All these materials are to be archived.
 18. In case of any change in the treasurer's position, such as leaving abruptly, an audit will take place immediately.

11.5 Section 4: Audit Reporting

Within two weeks of an audit, the RSC Auditor will complete the approved WNIR Committee Audit Report Form and submit a copy, along with any other information the RSC Auditor believes the RSC or service committee audited should receive, and submit it as follows:

1. TBRCNA Committee Audit: Submit within two weeks via email to all members of the TBRCNA Administrative Committee. A copy of the TBRCNA Committee Audit Report Form will also be

submitted as part of the RSC Auditor’s report to the TBRCNA Committee meeting following the TBRCNA audit.
