

TBRNA Policy

August 11 2012

TBRSC was formed February 12, 1994 after a year of meetings held by the Regional Formation Committee. The Purpose of the TBRSC is simply to help unite and assist member Areas in fulfilling our primary purpose. Hopefully we will always remain simple and avoid the perplexity of politics and financial debates.

Policy should never conflict with the principles of the Twelve Traditions of Narcotics Anonymous or the Twelve Concepts of Service.

Adopted: 5/11/1996

Remembering who we serve to avoid the pitfalls our predecessors had to face.

In 2002, the World Service Conference completed its transition to a 2 year Conference Cycle. Much of the business conducted by the WSC is now discussion and consensus based in nature.

These TBRNA Policy guidelines reflect the changes we have made since 1995, as we have moved from the old structure to the new 2 year Conference Cycle structure.

TBR's Policy Document will be updated once per year, prior to the November RSC. A Policy Change Log will document policy changes made during the year. A Motion/Decision Log will also be kept at each RSC.

MEETINGS

TBRSC meets 4 times annually for 1 day through the hours of 9 AM until 5 PM on the second Saturday of February, May, August, and November.

TBRSC Hosting Area

Each Hosting Area will be responsible for finding a meeting space for the TBRSC Business meeting. TBRNA will reimburse the hosting area for facility rental for the RSC. If a basket is passed it is up to the hosting area where the funds go. TBRNA will also pay for facility rental for a 2 day RSC.

Note: Any other activities (i.e. dances, speakers, workshops, etc.) are the sole responsibility of the hosting Area and can be coordinated and assisted with the help of TBRSC Trusted Servants if they so chose to be assisted. (Please try hard to schedule such activities for after 6:00 PM.)

TBRSC ROTATION is as follows:

Northside Area
Central Texas
Houston Area
Brazos Valley
Esperanza
Coastal Bend
Hill Country
Southeast Texas Area
Tri-County
Rio Grande Valley
Southwest Cactus Country of NA

TBRSCNA ROTATION is as follows:

Zone 1. Tri County ,Southeast
Zone 2 Houston, Northside
Zone 3 Coastal Bend, Rio Grand Valley
Zone 4 Esperanza, Hill country
Zone 5 Central Texas, Brazos Valley

Recommendations for Seating a New Area

1. A new Area requesting to join the TBR has clear geographical service boundaries within the boundaries of the Tejas Bluebonnet Region.
2. The ASC meets on a monthly basis.
3. The area will be represented by an RCM.
4. The area will be recognized at the RSC and become a part of the Tejas Bluebonnet Region at this time with full voting privileges.
5. The New Area will be added to the bottom of the rotation for hosting the RSC.

Removal of an Area from the TBR Region Rotation

1. If an Area no longer meets then the area will be removed from the RSC Rotation. It will be the duty of the RD or RDA or assigned TBR trusted servant to visit the area to verify that the area no longer meets. The RD or RDA or assigned TBR trusted servant will be funded to do this task as per the Travel and Per Diem section of the TBR Policy.
2. The Area will be added back to the RSC Rotation at such time they resume their ASC meetings and are able to send RCM(s) back to the RSC. TBR will do every thing possible to help a struggling area.

TBRSC AGENDA will be set, typed, and mailed 30 days prior to each RSC, along with meeting location and information, in order to expedite short meetings.

* **Note: Proposals for TBRSC** need to be sent to TBRSC Chair before agenda is set in order to expedite short meetings.

RECORDINGS will be typed and mailed no later than 2 weeks after the end of each TBRSC to All Regional Trusted Servants (Administrative Committee, RCMs and Subcommittee Facilitator). Contents of the recordings will contain basic actions and discussion of TBRSC, RD and RDA Reports, Treasurer's Report, and a current mailing list of TBRSC Administrative Committee, RCMs and Subcommittee Facilitators.)

* Note: Individual Area requests for other reports (Subcommittee, Ad-Hoc, etc.) need to be directed to the Recorder.

REPORTS

For the purpose of financial prudence, RCMs need to bring only 1 copy of their reports for TBRSC archives. (Extra copies are the Area's option.)

Subcommittee reports are to be legibly written and given to the recorder prior to the end of the TBRSC meeting.

RD and RD Alternate reports should take no longer than 30 minutes maximum combined time.

The RDA and RD will put on a Southern Zonal Forum Learning Days (2) times a year following the Southern Zonal Forums, to report on the SZF itself. These workshops will be held on the day following the May and December RSCs.

RCM reports should take no longer than 15 minutes.

Subcommittee Reports should take no longer than 10 minutes.

All reports are to be emailed to Recorder and Archive Facilitator when possible.

Note: study previous minutes or archives for basic report contents and information.

VOTING AND PROPOSALS

Voting and proposals are made by any Regional Trusted Servant (RCMs, Committee Chairs, RD, RDA or Administrative Committee members). Decisions will be made by consensus when possible. Otherwise, voting is done by a show of hands. TBRSC Facilitator votes only in the case of a tie. Co-facilitator is excluded from voting on all proposals before the RSC. The administrative Committee members shall have no vote on old business proposals which have been sent back to the areas for consideration. Positions of service are voted on by paper ballot or by hand if nominated individuals are not present. Majority is 1 plus half of the voting members (Regional Trusted Servants) present. Quorum is however many voting members are present (so business can always continue).

Guidelines for Consensus-Based Decision-Making (CBDM)

1. Bring proposals to the body
2. Open up the floor first for clarifying questions about the proposal (not a debate on the merits but a brief session to be sure everyone understands the proposal)
3. Facilitator asks whether anyone has any reservations about the proposal. These are heard, and they may be answered or the proposal may be tweaked in a manner similar to the "friendly amendment" process in Robert's Rules.
4. Once all reservations have been heard and answered in this way, facilitator asks, "Do we have consensus." Participants respond in one of four ways. Some models only have three, as I'll point out below.

a. **Assent.** This means that I can support the proposal, all things considered. It may not mean that I'm in agreement with every aspect, but that I've heard the discussion and had my chance to participate in the process of finalizing the proposal, and am prepared to support it. Assent is signified by remaining silent.

b. **Assent with Reservation.** This is not materially different from number one, and is the option often left out for that reason, but it is sometimes included as a way of giving people a place to stand when they don't want to object more strongly, but they do want to note that they have reservations. It is done by raising your hand and simply saying when the facilitator calls on you, "Assent with reservations." The assumption is that the reservations have been heard already, and you're simply noting that you can support the proposal, and continue to have these reservations.

c. **Stand Aside.** A common misconception about the stand aside is that it is similar to an abstention. It is not. It is more accurate to say it is similar to a "no" vote. It is a statement that I do not support the proposal, but my objection is not of the nature or the severity to warrant a block. One of the group's guidelines needs to be how many or what proportion of stand asides indicate a consensus too weak to adopt the proposal.

d. **Block.** This is also commonly misunderstood. Given that a proposal can be defeated by a sufficient number of stand-asides, the block should be an extremely rare step taken only when a participant honestly believes that one of the traditions or concepts is directly violated by this proposal, or some very fundamental moral position of the participant is violated. A member who blocks should be able to articulate which tradition or concept or other principle fundamental to N.A. is violated by the proposal.

ELECTIONS

Position requirements are given from "Guide To Local Service" or by experienced members. Nominations are taken (no second required), volunteers accepted, individual qualifications are given, questions are asked, a vote is taken, and the elected servant is announced.

Election of Regional Trusted Servants: To be elected as a regional trusted servant one must have a majority of the votes by the voting members of TBR present at that RSC. In The event that 3 or more recovering addicts are running for the same position and no one has a majority of the votes the person with the least votes will be removed from the ballot and another vote will be taken. This process will continue until one nominee has a majority of the votes.

Scheduled elections or unfilled positions of service will be placed on the agenda. Immediate positions open due to resignation, death, impeachment or whatever will be filled by nominations from RCMs or participating members on the floor of a Regional Service Committee meeting.

Newly elected servants will assume their positions at the conclusion of the TBRSC meeting of their election.

Administrative Committee:

TBRSC Facilitator, Co-facilitator(will also aid in hosting regional events), Treasurer, Co-Treasurer, Recorder, Policy Facilitator will be elected every two years (odd numbered years) at the **November RSC** meeting. Facilitator and Co-Facilitator must be signers on the Regional Bank Account.

Policy Facilitator will not form a committee; he/she will just maintain policy as it is added and/or amended. This facilitator will act as an advisor to the region and to any member areas having questions regarding this regions policy or forming/changing their areas policies. In essence the regional body is the "Policy Committee. For special projects the Regional Policy Facilitator may form a committee with past regional trusted servants as well as current regional trusted servants at the direction of Tejas Bluebonnet Region. When the TBR Policy is changed the Policy Facilitator will email an updated policy to all regional trusted servants before the next RSC. The Policy Facilitator will have a minimum of 5 updated regional policies for newly elected regional trusted servants at each RSC.

3. Experience as a web servant or web master preferred. Proficiency in other information technologies can be considered.

Convention Advisory Committee Structure

(a) The committee consists of five (5) elected members chosen by the region plus the future and past TBRCNA facilitators. (b) Each elected member serves a five (5) year term. (c) The elected member in their fifth (5th) year will automatically become the facilitator, and will rotate out at the end of their term. (d) One (1) new elected member will be chosen at the August RSC. (e) Suggested clean time requirement of seven (7) years.

The length of the RD's term will be one conference cycles (2 years/1 WSC). The length of the RD Alternate's term will be 1 conference cycles (2 years/1 WSC). RD must be a signer on the Regional bank account.

The RD Alternate automatically becomes nominated for the position of Regional Delegate and no other nominations are taken until a vote is taken. If there are one or more dissenting votes (no's), then nominations are solicited from the floor, and normal voting procedures are followed. If there are no dissenting votes, then s(he) assumes the RD position.

RD and RD Alternate will be elected every two years, (in odd numbered years beginning in 2013). Elections will be held at the Regional Assembly. This vote will be a consensus of all GSRs and RCMs present at the Regional Assembly. The newly elected RD and RDA will assume their duties at the RSC immediately following elections. The RD Alternate or RD will be the RSC's one representative to the Southern Zonal Forum.

RD or RDA will make available to the RSC all reports they obtain from the Southern Zonal Forums which they attend so that they can more effectively communicate what they have learned to the RSC. The RD or RDA will obtain CD recordings of the SZF and make them available to the RSC, the cost of which the RSC will pick up. The RD or RDA will conduct 2 (two) SZF Learning Day Workshops per year at a location to be decided at the RSC, and attended by the ASC representatives.

RD and RDA will be reimbursed \$100 for gas & food each per quarter for travel to TBR ASC's within the region.

The **Regional Assembly** will be held one (1) time each Conference Cycle (every two (2) years). The Regional Assembly will be held in the month prior to the World Service Conference. Business will be: (A) To elect a new Regional Delegate and Regional Delegate Alternate; (B) Issue Discussion. RD and RDA will take office at the end of the RSC which is held immediately following the WSC. Regional Assembly expenses will not exceed \$250.00 .
